UNSUNG HEROES 10 : REFLECTIONS

The Best Of 10 years of Unsung Heroes Productions

THE SONGS, MOMENTS, FRIENDSHIPS AND IMPACT

Unsung 10 will be a very special show. For our 10th anniversary, we will be performing the best of the best of 10 years of Unsung Heroes musical revue fundraisers. It's almost overwhelming to try and distill 10 years, 280 songs and over 200 cast and crew down to a single production.

NEEDLESS TO SAY, IT WILL BE AN EMOTIONAL, JOYOUS AND INSPIRING EXPERIENCE

Most importantly, we will be supporting urgent need charities from our past with whom we have an undeniable connection to.

1. Alzheimer's and Dementia Research through Baycrest
2. Poverty through Jewish Family and Child Service

BACK IN A BEAUTIFUL THEATRE IN OCTOBER 2023

We are thrilled to be returning to the Richmond Hill Centre for the Performing Arts!

- The many cast and crew that have joined us over the years
- The amazing loyal Sponsors have supported us through all of our productions

THE CAST JOURNEY

THE CAST JOURNEY

Unsung Heroes

3 – CASTING

The show committee will be working on the song list to be performed:

Casting process is as follows

1. Original featured cast from each song will be cast on first pass
2. If original cast member(s) are not able to do *Unsung 10*, those parts will be assigned to other cast (alumni or new)
3. There will be several full cast numbers or large ensembles for cast to join

4 – PRE-REHEARSAL SOCIAL

There will be a party held before our first rehearsal as a first chance for the whole final cast group to get together and in some cases, get re-acquainted or newly acquainted.

We may start conducting video interviews at this event to be used in social media, website content, email communications, the theatre lobby and during the actual performance.

These will also be included in the final show video for cast

7 – THE SHOW

We will perform the show on Oct 14th and 15th at the Richmond Hill Centre for the Performing Arts with three shows (Sat Eve, Sun Mat, Sun Eve) and can add a Sat Mat if ticket sales are strong).

This theatre has more than sufficient change room space to accommodate a very large cast

The lobby will be open prior to at least one performance for a cocktail reception and will be used to share stories of cast, crew, songs, rehearsals and more. There is so much we can do before the show even begins. Including perform!

9 – FINAL PARTY

A cast party like no other where we will not only celebrate the show we just put on and that release but the end of 10 years and 13 productions. There will be many special surprises and mementos to help keep these experiences in our hearts and minds for the rest of our lives.

1 – REGISTRATION

Registration is open until March 10th, 2023. Fees are \$525.

2 – AUDITIONS

New cast member auditions will be held over a few dates in late March (TBD depending on the number of auditions we need to schedule)

5 – REHEARSALS

Rehearsals will be a little different for this show less studio time/commitments

Please see the following page for more rehearsal details

6 – OTHER ACTIVITIES

There will be so many ways to enjoy this journey including participating in committees, events, interviews, videos, social media and more. The cast experience is not just on the stage but BEYOND the stage. It's going to be something we remember for the rest of our lives.

8 – CAUSES

The charities are not just where the money goes, they are a part of our history and connectedness to these shows and will be celebrated too. Also, donors and sponsors can choose with cause to give to or choose to let us decide. We will try to balance it out.

REHEARSAL DETAILS

A BIT DIFFERENT THIS YEAR WITH LESS SUMMER STUDIO TIME

We will be making lyric sheets, sheet music, staging and choreo videos all available to all cast as soon AS CASTING IS COMPLETE IN MARCH/APRIL.

This means you can work on your own schedule and around your own conflicts much much more than any other show we've done.

We will have space at a few locations (Rhythm, Vibe, Spotlight) to reteach full cast songs and large group numbers.

Duets and smaller groups may be at the studio or at a cast's home with the support of our creative team.

STUDIO TIME SCHEDULE

Studio rehearsals will be scheduled once we have finalized casting and can see how many medium, large and full cast numbers will need the time scheduled. When scheduled, they will be on Thursday and/or Sunday evenings (subject to change)

STUDIO COMMITMENT TIME DURING SUMMER (JULY/AUGUST)

In studio time during summer will be lower than previous shows.

What you can expect is to be called for 4 Full Cast songs for a total of approx. 12-16 hours (likely 4-5 rehearsals).

You may also be called for a few med-large group numbers which may be another approx. 6-8 hours (likely 2-3 rehearsals)

Beyond that, we can make studio time available for smaller groups but it is not mandatory.

NOTE: This only works if individuals in and out of full cast numbers put in the time to rehearse outside of studio time. We may schedule progress reviews with you from time to time to ensure we are on track to put on our best show ever!

STUDIO COMMITMENT TIME DURING FALL (SEPTEMBER/OCTOBER)

As we get closer to the show, we will start our run throughs at which point we will have more regular full cast calls. Tech week begins Oct 11th through final show October 15th.

Unsung Heroes

CONFLICTS & ATTENDANCE

We will be asking for your conflicts at registration and will keep an updated list of conflicts throughout understanding that not everything is confirmed for summer plans. We will endeavour to schedule around conflicts which on one hand, may be easier as we will have less studio time but on the other hand, we will have a larger cast.

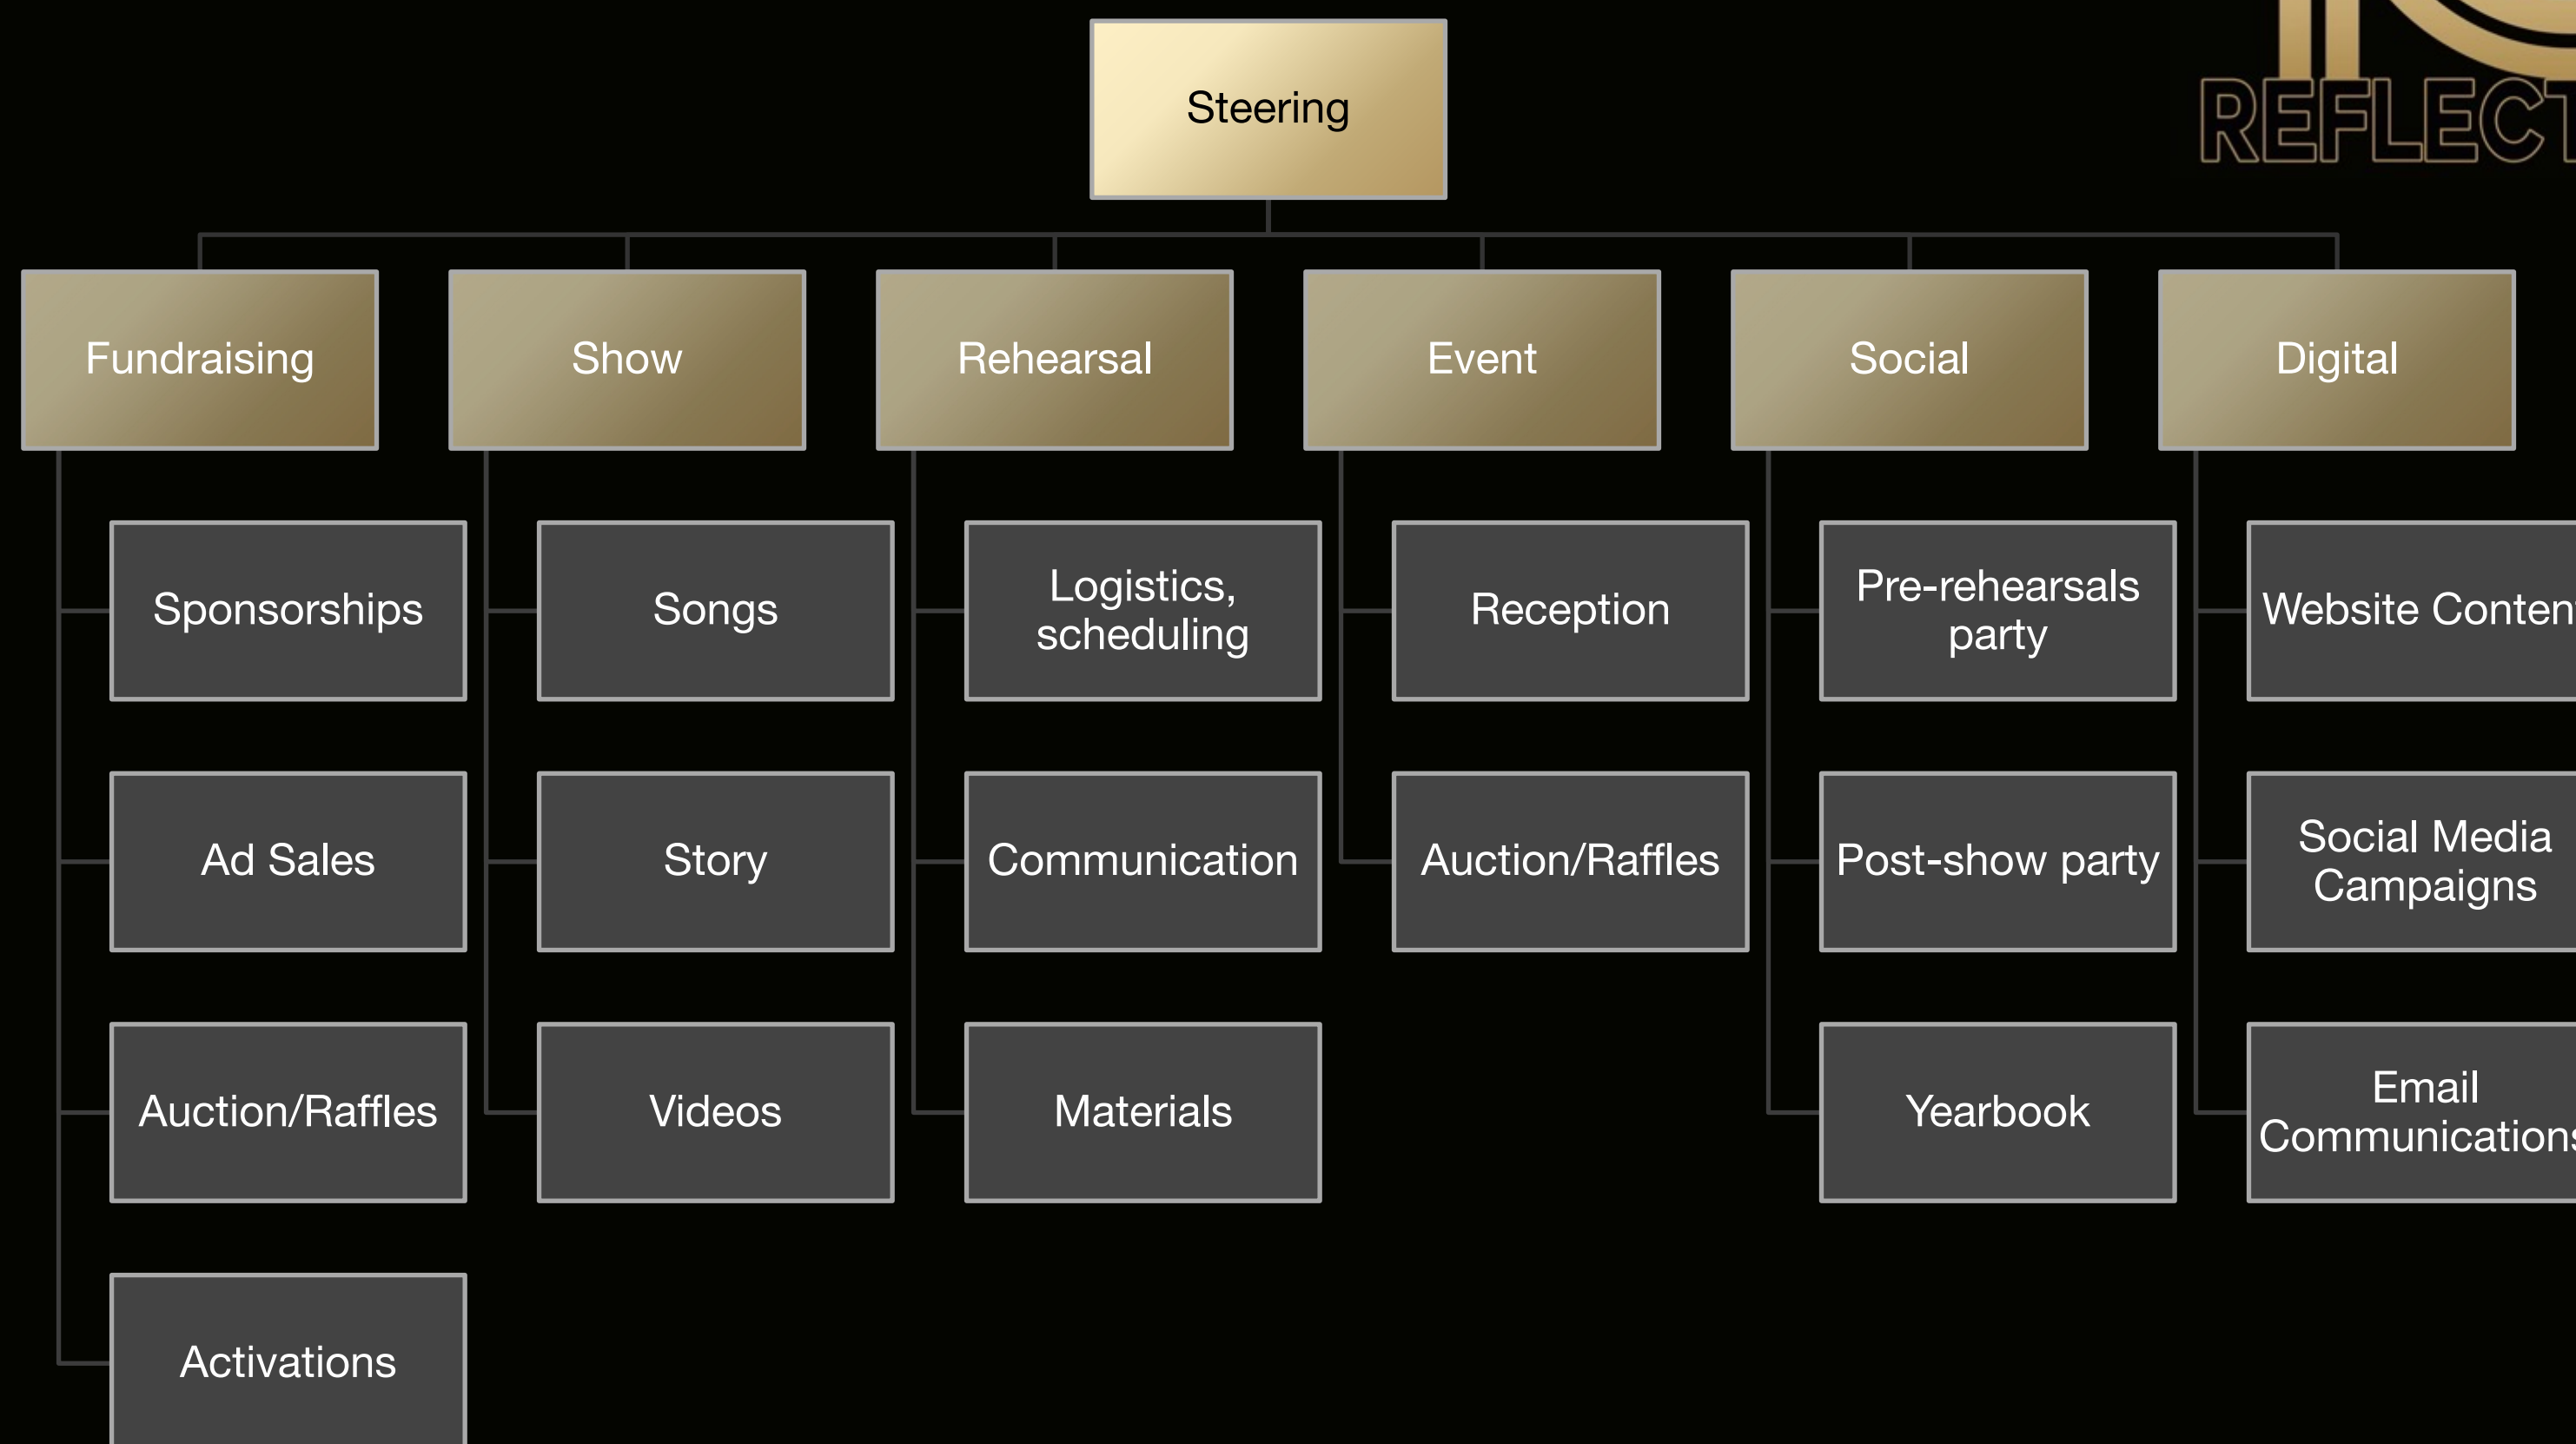

We do expect everyone who does not have a conflict to attend and if you need to be absent, to learn what was missed. Note: If absences ever prevent the song from progressing, recasting may be required on rare occasions

EXPERIENCE COMMITTEES

Cast/crew can sign up to join one of several committees aimed at creating the most exceptional experience for cast, crew and audience alike.

Primary to *Unsung 10* is the cast experience. This is not just a show experience but an opportunity to look back, reflect, take stock in all we've accomplished. This show, more than any, is about the **relationships**. We want to celebrate the stories, the laughs, the tears, the unbreakable bonds and amazing contributions that have been made to the causes we have supported.

The experience from info night to cast party is all about relationships.
